Rotary Club of Forest Grove
2609 Pacific Ave, P.O Box 127
Forest Grove, OR 97116

February 1, 2017

Forest Grove Rotary will award scholarships to help pay the **first** year of college or vocational school. The Rotary Club of Forest Grove will process and award scholarships to attend any American college or vocational school excluding Pacific University. Applications for students attending Pacific University should also be returned to the Rotary Club of Forest Grove who will then forward applications to Pacific University to be awarded by the university. No award is made to attend community college because of the Oregon Promise Program. Students must live in the Forest Grove, Banks or Gaston School Districts. These scholarships are funded by Rotary's Concours d'Elegance old car show and the Forest Grove Knights of Pythias, a fraternal organization.

To apply, mail or deliver a scholarship application together with:

1. high school transcript;
2. SAT, ACT and/or Oregon Statewide Assessment test scores; and

3. Two letters of recommendation from teacher, employer or adult who knows the student well (at least one teacher's recommendation is required);

All applications must be received **before 4:00 pm on April 11th, 2017. Applications that are incomplete or received after the deadline will not be considered.** They should be mailed or delivered to:
